

Penfield Veterinary Hospital Boarding Admission Form

Pet Name: _____ Boarding From: _____ until _____

Pick Up _____ Before 12:00 noon _____ After 12:00 noon _____

If your pet is picked up before 12 noon, there is no charge for that day. If your pet is picked up after 12 noon, you will be charged for that day. Boarder pick-up is available on Sunday from 4-6 pm; there is a full day charge for boarding on Sunday.

Authorization For Treatment

If my pet should become ill and require surgical or medical treatment, I give my permission for Penfield Veterinary Hospital to do whatever necessary for my pet's well being. I also give my permission to vaccinate my dog/cat if he/she is overdue for Distemper or Rabies. I understand that vaccinations will be given without written proof of prior immunizations. A doctor's exam is necessary to administer Distemper, Lepto and Rabies vaccines and there will be an exam charge of \$47.50

Kennel Cough & Canine Influenza

Viral & bacterial agents responsible for Bordetella (kennel cough) and Canine Influenza can invade even the cleanest boarding and hospital facilities. Healthy appearing dogs can be carriers, and once in a facility the infectious agents can spread quickly by airborne transmission. We require annual vaccination with Bordetella & Influenza Vaccines prior to boarding and suggest vaccinating once a year. *** I consent to these vaccines being given while my pet is boarding. _____ Client Initials
